1. This action is in response to the RCE filed on September 7, 2007.
2. The amended claims were examined and search; the examiner cannot find any applicable prior art relating to the amendments.

### **REASONS FOR ALLOWANCE**

Claims 1 – 6 are allowable. The following is an examiner's statement of reasons for allowance:

With regards to claim 3, the examiner cannot find any applicable prior art and / or suggestions disclosing

similarity calculation means for determining a degree of similarity of face feature quantities extracted from an image of the person taken at a current time with face feature quantities extracted from an image of the person taken at a previous time and

determination means for comparing the variation calculated by the calculation means with a first predetermined threshold and comparing the degree of similarity to a second predetermined threshold to determine that an image of the plurality of images is a registrable image when the variation does not amount to the first threshold and the degree of similarity is greater than the second threshold and to determine that the image of the plurality of images is an unregistrable image when the variation exceeds the first threshold or the degree of similarity does not exceed the second threshold in combination with the rest of the limitations of claim 1.
